EndoPort 2027

ANNUAL ENDOSCOPY SYMPOSIUM
FEBRUARY 21-23, 2027 | PORTSMOUTH, UK

Day 2: Tuesday, 23rd February 2027

Upper GI Symposium & Live Endoscopies

Parallel Program: Clinical Endoscopy Toolbox

Upper GI Endoscopy Symposium
08:30: Introduction & Welcome
08:40: Changing paradigm in UGI Neoplasia management: Endoscopic Curability boundaries
09:20: Live Endoscopy Stream (QAH)
09:45: Third Space Symposium
10:25: Live Endoscopy Stream (QAH)
10:50: Coffee & Networking Break
11:15: Upper GI MDT Panel
12:10 Live Endoscopy Stream (QAH)
12:30 State of the Art Lecture: Endoscopic Anti-Reflux Techniques in 2027
12:55: Lunch Break & Exhibition
13:45: Live Endoscopy Stream (QAH)
14:10: Bariatric & Metabolic Endoscopy
14:50: Live Endoscopy Stream (QAH)
15:10: Afternoon Coffee Break
15:25: Novel Technologies in Endoscopy
16:05: Live Endoscopy Stream (QAH)
16:35: State of the Art Lecture: Magnetic Approach to Endoscopy
17:00: Live Endoscopy Stream (QAH)
Closing Remarks (Day 2)

Parallel Mini-Symposium: Clinical Endoscopy Toolbox PM Session
13:45: Consenting in Endoscopy
14:00: Diagnostic Toolbox (Mucolytic drinks, Distal Caps, Scope Guide)
14:20: Dyes, Solutions and Art of Tattooing
14:45: Biopsies & Specimen Toolbox
15:10: Afternoon Coffee Break
15:25: EMR & ESD Toolbox
16:25: Haemostasis and Foreign Body Toolbox (including over tube)
17:00: Closing Remarks (Day)

Evening Program & Social Events

18:00-19:20: Industry-Sponsored Evening Symposium

19:30: Official Gala Event Dinner

Day 3: Wednesday, 24th February 2027

Lower GI Symposium & HPB Mini-Symposium

Lower GI Symposium	HPB Mini-Symposium
08:30: IBD Endoscopy	
09:00: Live Endoscopy Stream	08:30: Novel HPB Interventions
09:20: EMR in 2027	
09:55: Live Endoscopy Stream	09:30: HPB Case Presentations and Reviews
10:20: Making ESD Safer in 2027	
11:00: Coffee Break	11:00: Coffee Break
11:15: Live Endoscopy Stream	
11:35: State of the Art Lecture: Pushing Boundaries in Early Rectal Cancer Management	11:15: Problems & Solutions in HPB
12:05: Ergonomics in Endoscopy	
12:20: Live Endoscopy Stream	12:40: Lunch Break
12:40: Lunch Break	
13:30: Lower GI MDT	
14:30: Afternoon Break	
14:45: Complication, Challenges and Solutions	
15:45: State of the Art Lecture: Management for Fistula and leaks	
Wrap up and Message of the Day	

Key Highlights & Features

- **World-Class Live Endoscopy:** Direct transmissions streaming live procedures and expert interventions.
- **Hands-On Training:** Dedicated sessions covering tissue resections, polyp management, and closure techniques.
- **Parallel Mini-Symposia:** Focused toolboxes for Endoscopy Suite Essentials and HPB procedures.
- **Networking & Social Events:** Connect with distinguished faculty during evening symposia and the official event dinner.
